

## ARK-R

### Benefits

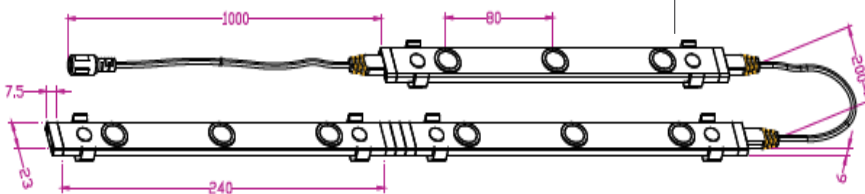

- Efficiency, Lifetime, and Safety,
- Maintenance free operation
- Energy efficient
- Long life 50,000 Hrs +
- Reliability

### Features

Wattage	14 Watts
Lumen Output	1,000
Input Power	110-240VAC
Efficacy	71.42 lum/watt nominal
Color Temperature (CCT)	2000k-8500k
Color Rendering Index (CRI)	75
Beam Spread	60 Degs
Rated Life	50,000 Hrs
LEDs	Luxeon Rebel High Power LEDs
Housing	Aluminium Heat Sink
Mounting Options	Surface
Dimensions	240mm & 480mm x 9MM
Power Supply	SMPS
Voltage	12/24VAC/DC
Warranty	2 Years
Approvals	CE Approved and ROHS Compliant

### Applications

- Architecture, ambience & decorative lighting
- Accent lighting
- Cove lighting
- Retail, corporate, public, residential
